

LIN BIL IMPUESTO CELESTRE

Junior Web Developer | Front End Developer | PHP Developer | React.js Developer | IT Support Assistant | Video Editor

Quezon City, Metro Manila, Philippines | 09126487212 | linbilcelestre3@gmail.com | Portfolio: <https://linbil21.github.io/portfolio/index.html>

PROFESSIONAL SUMMARY

Entry-level IT and web development candidate with hands-on experience building PHP, MySQL, JavaScript, Tailwind CSS, and React.js web applications through academic capstone work and a 300-hour web development internship. Skilled in CRUD development, responsive interfaces, database-backed workflows, debugging, basic API concepts, technical support, data entry, and Video Editing

TECHNICAL SKILLS

Web Development: PHP, JavaScript, React.js, HTML5, CSS3, Tailwind CSS, Bootstrap, responsive web design, CRUD applications

Backend & Database: MySQL, SQL fundamentals, XAMPP, basic Laravel, REST API fundamentals, API integration, JWT fundamentals

Tools & Platforms: Visual Studio Code, Git, GitHub, Postman, Render, Bitvise SSH Client, Microsoft Word, Excel, PowerPoint

IT Support: basic computer troubleshooting, printer setup, system maintenance, PC assembly, hardware installation, hardware maintenance

Data & Records: data entry, data encoding, records management, document archiving workflows, basic data management

Creative Tools: Adobe Photoshop, Adobe Premiere Pro, Canva

TARGET ROLES

Junior Web Developer | Frontend Developer | PHP Developer | React.js Developer | Website Support Specialist | IT Support Assistant | Technical Support Assistant | Data Entry Specialist | Records Management Assistant | Video Editor

WEB DEVELOPMENT PROJECTS

- **Atiera Hotel and Restaurant Management System**

Academic Capstone Project | Web Developer | June 2025 - April 2026 | PHP, MySQL, HTML, CSS, Java Script, Tailwind CSS, Git, XAMPP

- Developed a web-based administrative system with Visitor Management, Legal Management, Facilities Management, Document Archiving Management, and Maintenance Management modules.

- Implemented database-backed workflows, CRUD functionality, form handling, and user interface behavior for operational records and administrative tasks.

- Supported contract compliance scoring in Legal Management and integrated document archiving workflows with HR and financial management requirements.

- **Master Driving Booking System**

Internship Project | Frontend Developer | February 2026 - March 2026 | React.js, JavaScript, CSS, Git, Render

- Developed frontend features for a web-based booking system used to schedule TDC and PDC driving course lessons.

- Collaborated with the development team to improve user experience, page behavior, system functionality, debugging, testing, and maintenance.

INTERNSHIP & PRACTICAL EXPERIENCE

- **IT Department Web Developer Intern - Master Driving School**

- Assisted with frontend web development, application support, debugging, maintenance, and task coordination in a team development environment.

- Applied Git, React.js, CSS, and JavaScript while strengthening communication, follow-through, and technical problem-solving skills.

300-hour internship | **March 2026**
